ENTERTAINING®

NOVEMBER 2018

*"I will honor Christmas in my heart
and try to keep it all the year."*

CHARLES DICKENS

Dear Friends,

At the risk of upsetting your fall apple cart, let me jingle an alleluia bell or two. I know, I know . . . it seems so early, but to make your holiday shopping *effortless*, planning ahead is a must!

Since releasing *Effortless Entertaining* last December, we have realized that many of you enjoy giving *Effortless Entertaining* as gifts. Nearly half the EE books purchased have been gifts for weddings, bridal showers, birthdays, hostess gifts, and more. Mothers are giving the guide to their children, children are giving to mothers, siblings are giving to siblings, and the list goes on!

If you would like to give the gift of *Effortless Entertaining* for the holidays (and we know you would!), place your order in November, and we will ship free. I will also sign books for your gift recipients.

Visit MyEffortlessEntertaining.com to order your books. Choose book signing location in place of a shipping option and add your recipients' names in the "Order notes" box. We're excited to sign, seal, and deliver *Effortless Entertaining* to the people you love. As a recent event guest said as I was signing several gift books for her, "Christmas shopping made easy!" I couldn't agree more!

Let us help you give the gift that keeps on giving as *Effortless Entertaining* inspires and equips others to . . .

Open their homes, open their hearts, and give the gift of hospitality.

With Christmas cheer in November,

Dee Dee

And now a *Dash of Effortless Entertaining* goodness!

Be sure to tuck this favorite cocktail away for the holidays. The Dalrymples love to serve these on Christmas Eve on a silver tray!

French 75

Serves 2

INGREDIENTS

1 oz fresh lemon juice
1 oz simple syrup
2 oz gin
6 oz champagne
Garnish, lemon twist

Mix lemon juice, simple syrup, and gin in a cocktail shaker. Pour into champagne flutes. Top with champagne and garnish with lemon twist.

If increasing for a larger group, you can mix lemon juice, simple syrup, and gin in a large jar or stir in a pitcher.

Cheers!

WE LOVE TO HEAR FROM YOU!
