“I’ve missed more than 9000 shots in my career. I’ve lost almost 300 games. 26 times, I’ve been trusted to take the game winning shot and missed. I’ve failed over and over and over again in my life. And that is why I succeed.”

MICHAEL JORDAN

Dear Friends,

It’s March Madness ... and while everyone is talking about spring, I must let you know, I am talking, reading, breathing basketball! Check out this fun [article](#) from one of my favorite WSJ writers, Jason Gay, “I love Duke, please forgive me.” Even if my beloved Tar Heels lose at some point, perish the thought, I will continue to cheer on our ACC teams, even Duke. Did I mention that three ACC teams are Number 1 seeds in the tournament? Okay, enough about basketball and on with spring entertaining!

Today I give you and your fans something to cheer about with one of my favorite cocktails – Jalapeño Cucumber Limeade, page 306. My daughters introduced me to this cocktail one summer at our club in the mountains. We now make it at home all the time – it’s so simple, so refreshing, and we love that it has a little kick. It’s the perfect March Madness cocktail as we are all hoping our teams will kick ... well, I won’t go there!
