Dear Friends,

I was reminded recently of my very favorite beverage tub ... just in time for all your holiday entertaining. Discovered at [All Through the House](#) in Winston-Salem, this beverage tub is not only beautiful, but it is also practical. It's double-walled so it doesn't sweat! That along with the handsome wood base makes it perfect for any tabletop. Stylish enough for your nicest cocktail bar and casual enough next to the fire pit on these cooler fall and winter nights. If you want to order this beverage tub, call All Through the House at [\(336\) 777-1000](tel:3367771000), and they will ship. I know ... very old school to call, but what a great way to shop local, which you know I love!

For those of you who would prefer to order online ... another favorite is from [Frontgate](#). Also, double-walled and in several finishes, it's a stylish addition to your indoor and outdoor entertaining.

Cheers ... let the fun begin!
