"Have I told you about my new Blackstone Grill?"
Said Bill to everyone he saw this summer!

Dear Friends,

I couldn't be more excited! This summer my good friend Bill Whitley introduced us to the

Blackstone Grill. You may remember that Bill inspired *Effortless Entertaining* over a glass of wine on our back porch. Our latest collaboration is this video series showing *you* how easy and fun it is to entertain with a <u>Blackstone Grill</u>... a griddle on which "*you can cook everything you can cook on a regular grill and 1,000 things more!*"

Join us the next few days for an evening with Bill and me as we demonstrate in real-time our entire dinner prepared by Bill on the Blackstone. If you want to transform the way you entertain, join the <u>Blackstone</u> revolution. Learn how you too can prepare everything on the grill with remarkable ease, no mess, and have fun while you're doing it ... music to my "how to make everything *effortless*" ears!

You're going to love this video series! Join us each day as we walk you through our menu beginning with our Day 1 Intro to the Blackstone.

## Our Menu ...

- Asparagus and Prosciutto
- Grilled Salmon
- Fried Rice
- Brussels Sprouts
- Grilled Krispy Kreme Doughnuts

Invite your spouse to watch with you ... We are going to have so much FUN!!!
