"Thanks, DeeDee for helping me get my mojo back!"

TERESA

Dear Friends,

If we are going to enjoy entertaining and if it's going to be *effortless*, we must create well-equipped and well-organized kitchens. My workshop participants know this is the foundation of entertaining easily and graciously. In my book, *Effortless Entertaining*, I provide a complete list of Kitchen Essentials and Kitchen Extras. In this week's newsletter, I'm giving you my Top Ten Kitchen Essentials. These are my go-to tools, utensils, and small appliances that make cooking easy and fun for me and I bet they can do the same for you!

Although I've linked you to online sources just for the ease of it, please shop local! You can find many of these items at your local kitchen shops.

From our home to yours,

A handwritten signature in brown ink that reads "DeeDee".
