

A few favorite spring things!

April 7, 2022

“The workshops are such a fabulous extension of your offerings!”

CHRISTINE

Dear Friends,

What a happy time of year as we welcome spring and celebrate new life! Today I want to share a few of my favorite spring things.

From egg cookers for Easter to beverage coolers, we give you just a few things to whet the appetite for spring and summer fun! Although I've linked you to websites for ease, you can also shop local. You can find many of these items at your local kitchen shops.

Enjoy!

From our home to yours,

Dee Dee

Nothing says spring to me like bright table linens and I love the hand-blocked linens from Pomegranate.

Boxwood Topiaries

As we spend more time on our porches, we don't always want to fuss with flowers. Boxwood topiaries from Sweet Pea in Knoxville are the perfect "stay on your table" solution. Yes, I know the instructions say not to leave them outside. I do it anyway!
