*“There are two ways to live your life.
One is as though nothing is a miracle.
The other is as though
everything is a miracle.”*

ALBERT EINSTEIN

Dear Friends,

As many of you noticed, we had our family in town last weekend for the celebration honoring Ed for his service to Central Piedmont Community College. Thank you for all the lovely comments on [Instagram](#). It truly was a special time we will always treasure.

Because we had everyone with us last weekend, we will be a bit low key for Easter. Ed and I will be at Grandfather with Elizabeth and Alex. We will celebrate Easter with a few friends who will also be there, friends who are like family. We are blessed beyond measure in that regard. As the weekend approaches, we're talking about how we can gather. I'm thinking simple fare and "everyone brings something" so no one does too much. We may pull a few things from the Easter menu below. Maybe you'd like to consider for your Easter too.

I pray blessings upon your family and friends, upon those near and far. I pray, as we all do, for Ukraine and all peoples in strife. May the life-giving miracle of Easter and the resurrection be with you each and every day.

With gratitude during this holy week and may you find the golden egg!
