Dear Friends,

I know what you're thinking ... it's not even Halloween, and she's talking about the holidays. I know, I know! I'm actually one of those people who roll my eyes when I see Christmas decorations up in all the stores too soon.

With that said, I know many of you are already thinking about your Thanksgiving and Christmas gatherings. This collection of my *Favorite Holiday Cocktails* will make preparing elegant cocktails your guests will love ... *effortless!*

Ed and I love to serve special champagne, wines, and cocktails during the holidays. It's one of the ways we make these occasions with family and friends even more festive. I recommend serving with your prettiest trays, champagne buckets, and finest glassware. This is the perfect time of year to pull out the silver!
