ENTERTAINING®

THE *Dish*

FEBRUARY 26, 2025

Dear Friends,

March Madness is almost here! A sure crowd pleaser and the perfect pick-up dessert for a game watching party!

I've made these brownies for years! I've taken them to house parties and family beach trips. My family loves them and their friends used to ask for the recipe before they all bought my book!

Don't fret if you can't find the exact same size for the German Chocolate Cake Mix. Anything close works. Trust me, these are no fail as long as you give the ooey gooey caramel center time to set. YUM!

While we're talking parties, let's make sure you're ready with the "30 Days to Effortless Entertaining" workshop. If you missed the one happening now, be sure to [register](#) for the next one starting March 14th ... in just two weeks! Don't miss this opportunity to be ready to host your friends and family with ease and confidence!
