EE's Favorite Things for Your Favorite FaLaLa Hosts!

Dear Friends,

It's **Day 3 of My Favorite Things**, and I hope you're getting excited for Christmas! As you're making your list and checking it twice, I've gathered my favorite finds to help you deck every corner of your home ... from festive Christmas décor to inviting tabletops and a styled powder room.

And if you're looking for even more inspiration, don't miss the *Shop* section on the EE website.

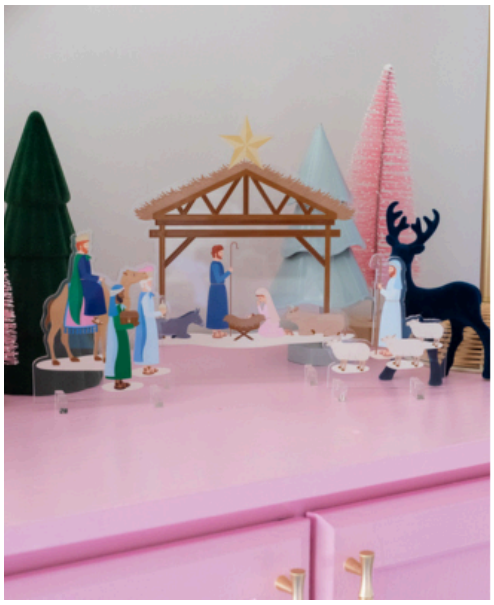

While the website takes you to online shops, I always encourage you to shop local. Explore your local kitchen, tabletop, and home shops ... they're full of treasures this time of year.

Merry Merry 🎄✨

LET'S GET THIS PARTY STARTED

Colorful eco-friendly cocktail napkins, dinner napkins, and placemats easily elevate the bar or table. These unique products come on a roll, making them easy to store, easy to use, and afterward easy to dispose of because they are both biodegradable and recyclable. I especially love the the cocktail napkin stands for the bar. Brilliant!
